

Griffin identified in Financial Times “FT 1000 Europe’s Fastest Growing Companies” report

- **Griffin recognised in second edition of FT 1000 Europe’s fastest Growing Companies**
- **Report identifies and ranks Europe’s fastest growing companies, based on revenue growth between 2013 and 2016**
- **Griffin has enjoyed strong growth in the energy markets over recent years based upon its continuing innovation and excellence in execution**

Griffin has been identified as one of the “FT 1000 Europe’s Fastest Growing Companies 2018” and is ranked at #224 overall. In the Financial Services sector the FT has ranked Griffin at #7.

Griffin has developed into one of the leading European OTC energy venues having gained a reputation for delivering high quality service in all areas of its business on the back of constant innovation and improvements.

Commenting on Griffin’s inclusion in the FT 1000 report, Simon Davidson, Griffin’s Chief Executive Officer said: “It’s good to have our growth recognised from an organisation such as the Financial Times. Ultimately market share growth drives revenue and our customers continue to respond positively to our service, recognising the effort and dedication put in by the Griffin team to continually drive excellence in execution.”
